

# The Central Roll Up Fold

Place the napkin flat on the table with the back side facing up.

Fold the left half of the napkin over the right half to create a long rectangle.

Fold the right side of the napkin inward toward the center.

Fold the left side inward toward the center so the two edges nearly meet.

Fold the top edge of the napkin downward slightly to create a clean base.

Roll the napkin upward from the bottom.

Until the name or monogram in the center is clearly visible and facing up.
