

The SW Fold

Place the napkin flat on the surface with the embroidery facing downward.

Fold the right side of the napkin toward the center. Fold the left side of the napkin toward the center, aligning it with the right fold.

Turn the napkin over so the embroidery side is now facing up.

Fold the top edge of the napkin downward.

Fold the bottom edge of the napkin upward.

Fold the bottom edge of the napkin upward.

Fold the bottom edge upward one final time so that the embroidery appears centered at the top of the third fold.
