

The Fan Fold

Lay the napkin flat on the table with the embroidery facing down.

Fold the lower right corner up to meet the upper left corner, forming a triangle.

Take the lower left corner of the triangle and fold it up to overlap the upper right corner.

Take the left corner and fold it over the right corner to create the finished fan shape.

Carefully flip the napkin over, keeping the folds neat and edges aligned, adjusting the edges so they are neat and aligned.
