

The Three Pocket Fold

Place the napkin flat on the surface with the embroidered side facing down.

Fold the bottom edge of the napkin upward.

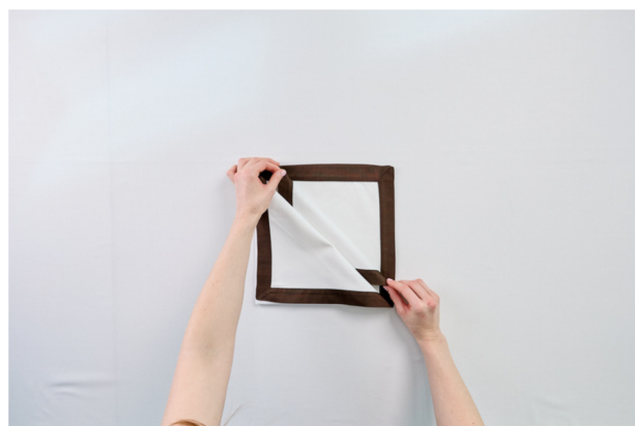

Fold the left side of the napkin over to the right.

Bring the top right corner down to meet the bottom left corner, creating the first pocket.

Fold the next top right corner downward and tuck it beneath the first fold.

Fold the remaining top right corner downward and tuck it beneath the second fold.

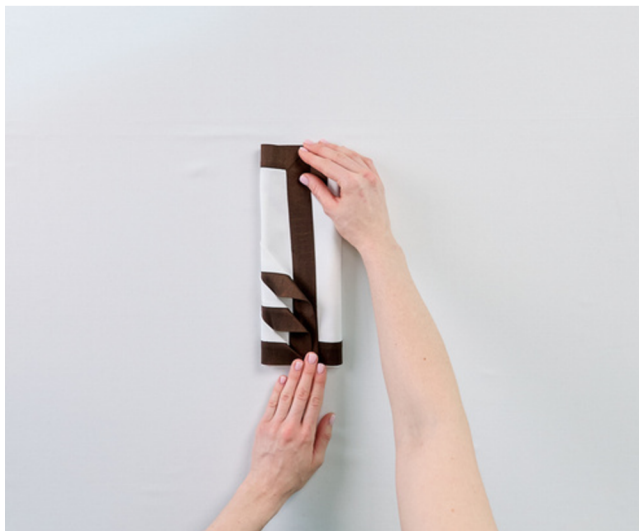

Turn the napkin over.

Fold the right side of the napkin toward the center.

Fold the left side of the napkin toward the center, aligning it with the right fold.

Turn the napkin over once more so the pockets are visible on the front.
