

The Sinatra Fold

Place the napkin flat on the surface with the embroidery facing downward.

Fold the bottom edge of the napkin upward.

Fold the top edge of the napkin downward so that it slightly overlaps the bottom fold.

Turn the napkin over.

Fold the left side of the napkin inward.

Fold the right side of the napkin inward.

Fold the right side over the left, aligning the edges evenly.

Turn the napkin over so that the two dragonfly embroideries are visible.
